

# ITAS 2023

## 2023 Information Technology and Applications Symposium

Fujisawa, Japan | June 23-25, 2023

[WWW.ITAS.ORG](http://WWW.ITAS.ORG) 

ITAS is an international forum for researchers and practitioners to present and discuss the most recent innovations, trends, results, experiences and concerns in the several perspectives of Information Technology & Applications.

### ORGANIZING COMMITTEE

#### Honorary Chair

Nobuo Kieda, Shonan Institute of Technology, Japan

#### Advisory Chairs

Wen-Chung Kao, National Taiwan Normal University, Taiwan

Nobuo Funabiki, Okayama University, Japan

#### Conference Chairs

Kazuyuki Kojima, Shonan Institute of Technology, Japan  
Shinji Sugawara, Chiba Institute of Technology, Japan  
Yutaka Ishibashi, Nagoya Institute of Technology, Japan

#### Technical Program Committee Chairs

Chih-Yu Wen, National Chung Hsing University, Taiwan  
Kiyoshi Ueda, Nihon University, Japan  
Hiroshi Fujinoki, Southern Illinois University  
Edwardsville, USA  
Kostas E. Psannis, University of Macedonia, Greece

#### Publicity Chairs

Takashi Okuda, Aichi Prefectural University, Japan  
Takanori Miyoshi, Nagaoka University of Technology, Japan  
Chih-Peng Fan, National Chung Hsing University, Taiwan  
Yu-Cheng Fan, National Taipei University of Technology, Taiwan

#### Local Chair

Tadaaki Ikehara, Shonan Institute of Technology, Japan

### CALL FOR PAPERS

Included but not limited

- Advances in information systems modelling and design methodologies
- Enterprise, business and technological process modelling
- Data warehouse and multidimensional modelling, analysis and mining
- Methodologies for continuous information systems adaptation and software evolution
- Architecture patterns and models for design of large-scale information systems
- Information systems architecture
- Information systems development tools
- Component-based information technologies
- Semantic Web technologies in intelligent information systems design
- Agent-based information technologies
- Information systems integration and tools for supporting information integration
- Practical experience with integration approaches
- Information systems and telecommunication technologies
- Modern database technologies and their applications
- Process modelling for enterprises
- Concepts, techniques and applications of electronic and mobile business
- Customer relationship management, knowledge management and helpdesks: organization, automation, systems, experiences
- Security issues in information systems
- Web oriented business and technological process control and reengineering
- ERP/MRP systems concepts and technologies
- Information technologies for managing, modelling and simulating social, economical, environmental, and technical objects and processes
- Information retrieval and natural language processing
- Intelligent data processing and knowledge-based information technologies

More information please check the web: <http://itas.org/cfp.html>

### JOURNAL PUBLICATION

Accepted and presented papers will be published by Journal of Advances in Computer Networks (JACN) (ISSN: 1793-8244). Abstracting/ Indexing: INSPEC (IET), EBSCO, ProQuest, and Google Scholar.

### IMPORTANT DATES

Submission deadline: **February 25, 2023**

Notification of acceptance: **March 25, 2023**

Registration deadline: **April 15, 2023**

### VENUE

Shonan Institute of Technology,  
Japan Address: 1-1-25 Tsujido-  
Nishikaigan, Fujisawa, Kanagawa  
251-8511, Japan

### SUBMISSION

By online submission system:

<https://www.zmeeting.org/submission/itas2023>

### CONTACT

Conference Assistant
